St Helena

Case Study

Status: Complete, 2022

Architect: Architectus

Client: St Helena Secondary College

Key Consultant: Karen Terry

Photography: Rachael Dere

St Helena Secondary College installed a new modular building and replaced three relocatable buildings whilst updating their learning and staff areas and amenities in 2022.

Located in the leafy suburb of Eltham North, the school wanted to take advantage of its natural surroundings and bring the outdoors in.

VE Furniture met the brief by creating a warm palette consisting Natural Oak Link tables, Bayleaf iDisc tables and soft seating in Ochre and Fern fabrics.

Innovative ideas for staff spaces

We know that the staffroom is a vital part of any school – it's where teachers can relax and recharge between lessons. That's why we've designed a range of furniture that is both stylish and practical. Our pieces are perfect for modern schools and learning facilities.
