INTRODUCTION TO SECURE IT

The Secure It Locker collection is ideal for use anywhere you need to store belongings. Each door has its own access allowing you to keep items safe and secure.

As storage requirements and space availability differs, this clever storage system has been designed to provide flexible options, in a wide range of sizes, to meet your diverse storage needs.

These storage solutions are ideal for small to medium items, and are designed to work in classrooms, offices and health clubs.

This guide contains multiple products from the Secure It locker range which have been curated into one specification guide for your convenience. Note that each product may be subject to different pricing terms and conditions based on finishes selected.

SECURE IT DIVIDE

Low height lockers are great for areas with limited space or for under windows. Secure It Divide is the perfect solution for breaking up wide hallways and creating natural traffic flows. The addition of the Nova Double Modular Lounge provides a space for students to pack their bags, eat lunch or converse.
