

Early Learning Range

Nordic Curve

The Nordic Curve Activity Centre offers curved storage bays and a spacious work surface, perfect for little learners. Combine multiple units for creative play spaces in early learning environments.

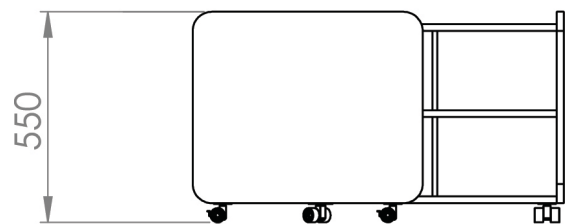

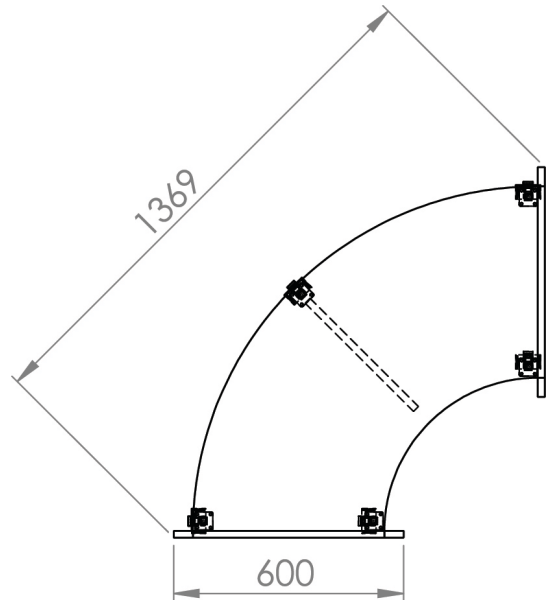

Play Surface - Slightly curved, inviting workspace designed to engage children in activities.

Storage - Features two smaller open storage bays for toys, learning materials, or art supplies, and one larger bay for bulkier items like puzzles.

Lockable Castors - Easy-roll, lockable castors make it simple to move around the room for flexible use.

For more details or to enquire about specific configurations, visit the VE Furniture Nordic Curve page.
