

Early Learning Range

Visby Table

The Visby table features a unique half-cut birch plywood base and a durable 900Ø birch plywood top, perfect for adding style and function to early learning environments.

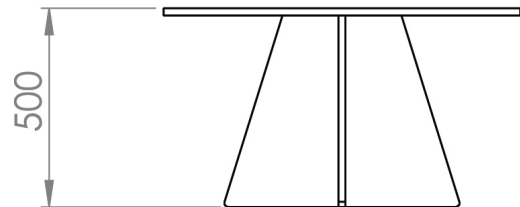

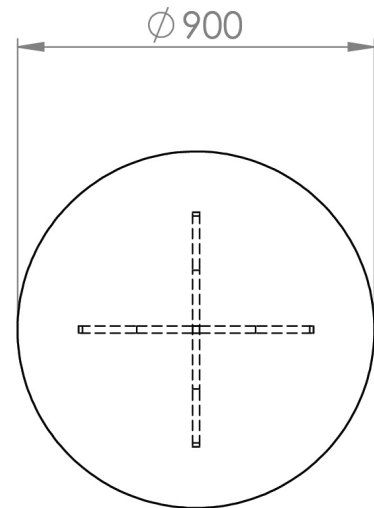

Construction - 900mm diameter birch plywood top. Unique half-cut timber base for stability and a modern aesthetic.

Durability - Durable 25mm birch plywood construction. Soft, rounded edges for child safety.

Colour Options - Available in multiple finishes, including natural wood and laminated plywood options.

For more details or to enquire about specific configurations, visit the VE Furniture Visby Table page.
