Care & Maintenance

At VE Furniture, we make our products to last. Our products are crafted from high-performance materials designed to withstand the diverse needs of Australian schools. In order to improve the educational experience in schools Australia wide, we constantly evolve our craft by fusing classic design with modern aesthetics.

Looking to keep your furniture shining like new? A little TLC goes a long way. Depending on where you place your products and how you use them, a touch of maintenance can keep them looking brand new – and remember, we're always here to guide you on that!

While we craft our pieces to be sturdy and resilient, it's always good to treat them kindly. Accidents due to rough handling aren't covered under our structural warranty promise.

Laminate Surfaces

Clean with a damp, soft cloth or sponge using lukewarm water.

Powder Coated Metal

Clean with a damp, soft cloth or sponge using lukewarm water.

Hardwood

Clean with a damp, soft cloth or sponge using lukewarm water.

Important Note

Strong detergents which contain bleach, acid or have an abrasive effect (such as scouring creams and citrus) should not be used.

Metal or synthetic sponges and scourers should not be used as they may leave permanent marks or scratches on the surface.
